# Client/Teammate Praise

- Louis is an excellent bug/issue fixer! innovative, skillful and good attitude. I am glad to have him as my partner.

- Louis goes above and beyond providing ways to improve overall efficiency. He provides detailed data to support the need for his suggested improvements all the while maintaining professionalism and courtesy with all fellow teammates.

- Louis has been a great addition to the team. He is always ready to jump in to help out no matter what the issue is. He always is pleasant and friendly to all around him. Thanks for all you do Louis.

- Takes the time to help teammates solve and understand the issue at hand. Not once has he pointed me to Google to find something without making sure to go over it together.

- Thank you very much for going out of your way to support people on linux workstation and FreeVM issues. We really appreciate your help!

- Louis is always ready to help with oncall and also, he explains so well that I feel like I am always learning something new when we work together.

- I was stumped on a host repair. needed an extra set of eyes and Louis came to the rescue through awesome team work to bring the host back online! thanks dude!

- Thanks for taking the initiative and developing a robust tool for Bugzilla / Trello integration. And thanks for always being willing to help, no matter what the issue!

- Louis was instrumental in automating a VERY manual task in creating a report that tracks escalations by type! This data will go far in helping us improve on a daily basis. Fantastic job Louis!

- Louis stepped up and fixed a script that I hadn't had time to fix, and then worked with me as I tested it for my use case.

- Louis has been a FABULOUS resource to the team. I appreciate his initiative, follow through, resourcefulness and can-do attitude!!!! Thank you SO much Louis, for all you do for us!!!!

- Thank you Louis, you are always there to help on short notice. You often sacrifice your own personal time to help the team and the company. It has been great to work with you, and continue to see you become expert on whatever you work on.

- Louis gave a thoroughly correct answer to a fellow user of YAMAS. People like him really make working at Yahoo! much more pleasant and are an inspiration to step up and help other Y!'s out where I can.

- Thanks for assist the setup of YAMAS, without you I will spend 10x hours to get it done! Thank you!

- Good work on all the yamas work you have been doing for search.

- Thanks Louis for all your inputs setting up yamas clusters for Session Search and Gossip. You have more knowledge of yamas than everyone in the team and POC for all yamas issues. Thanks again!

- Louis is very kind and always happy to help for YAMAS issue, even if he is very busy. Thanks for your infinite patience, your help is very appreciated.

- Louis is at it again, helping out fellow users with great answers to their questions. Thanks, Louis!

- Louis helped me with 2 Yamas issues in 2 days. Both times he got back to me super fast, and with super detailed info on what was wrong, how to fix it and how to prevent it in the future.

- I want to thank Louis for his accountability, drive for bettering all Production and basically bring a new vigor onto the team. I truly hope that Louis' work ethic rapidly spreads through the org like wild fire! Thanks Louis for all you do and with a smile on your face

- Bootstrapped me with yamas and ysniff know-how and helped me along the way. Got through to testing on staging with Mr Tee pointing to it within a week and into production giving is metrics in one sprint. Thanks Louis!
